LOS ANGELES COUNTY WATERWORKS DISTRICT NO. 29, MALIBU EMERGENCY ROAD AND STORM DRAIN REPAIRS AT WINDING WAY

As a result of recent rains, on January 24, 2005, Winding Way Road, the access road to the Waterworks District's Winding Way Tank, and the Winding Way Tank site were substantially damaged. A.A. Portanova and Sons, Inc., was called to assist the District's staff to stabilize slopes by covering selected ground surfaces with plastic sheeting and by placing sandbags, where needed, to prevent further erosion damages. The work was completed on January 25, 2005, at an estimated cost of \$8,000.

A.A. Portanova and Sons, Inc., is one of five as-needed, on-call emergency contractors with contracts approved by your Board on December 1, 2003. We committed to reporting to your Board all emergency repairs carried out under these contracts.
